Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the examiner has considered the amendment and response filed by applicants on July 14, 2008. The claims were amended to overcome the rejection under 102(b) and the provisional double patenting rejection. Applicants' arguments with regard to the rejection under 103(a) were persuasive; as such, the examiner has withdrawn this rejection. Finally, applicants filed two terminal disclaimers, thereby obviating the provisional obviousness-type double patenting rejections of record. The instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sikarl A. Witherspoon whose telephone number is 571-272-0649. The examiner can normally be reached on M-F 8:30-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel Sullivan can be reached on 571-272-0779. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
